Mechanical and Process Engineering

Mechanical and Automotive Engineering

Major

- Mechanical Engineering Simulation and Design
 Automotive Engineering

Materials and Production Engineering

Major

- Materials and Metallurgical Engineering
 Production Engineering

Chemical and Process Engineering

Electrical and Software Systems Engineering

Electrical and Information Engineering

Major

- Electrical Power and Energy Engineering
 Communications Engineering
 Software Systems Engineering

for the program starting August of 2013

Deadline for applicants (first round): March 31, 2013

Deadline for applicants (second round): May 31, 2013

1. Personal information

Name: _____
Family name First name Middle name (if any)

Gender: male female Date of birth: _____ Country of citizenship: _____
day/month/year

City and country of birth: _____ Native Language: _____

Current mailing address: _____

_____ Zip/Postal Code: _____

Phone number: _____ Email: _____

Passport ID: _____ Issued by: _____

Thai Citizens Only

ชื่อ-สกุล ภาษาไทย: (นาย, นาง, นางสาว) _____

เลขที่ประจำตัวประชาชน _____

2. Education List all colleges/universities attended, with highest degree listed first.

Institution	Years Attended		Graduation		GPA (based on 4.00 system)
	From	To	Degree	Major	

3. Employment (if available) List your current and previous employment in chronological order beginning with your current employment.

Employer	Position	Month/Year	
		From	To

**For applicants with industrial experiences, please include your CV with related responsibilities or achievements to support your application.*

4. English Language Proficiency

Attach a copy of your test score report.

Test Name	Score	Date Taken (day/month/year)
TOEFL or IELTS (Academic Module)		
.....		

** For applicants with other English language test score, please include the approved conversion chart of scores to TOEFL or IELTS with your application.*

5. Fees and Financial Assistance Opportunities

The educational fee is 60,000 baht* per semester for full-time Thai students. International students pay an additional international student fee of 25,000 baht* per semester. Depending upon availability, some financial assistance opportunities are available (waiving of half or full tuition fee). Selection for financial assistance is based on academic and professional qualifications.

Remark: *Approximated currency 40 THB=1 EURO

- I do not need to apply for any financial assistance.
- I need to apply for such assistance (Tuition fee waiving).
 - I explain below the reasons why I must apply for financial assistance in order to pursue my degree studies at TGGS.

- I am aware that this financial assistance is to enable me to pursue a program of study over a specified period and meet my obligation to return to my home country. If for any reason the study period is extended beyond the normal period, I shall be responsible for all costs associated with the extension.
- I am aware that if I abandon my study program for any reason I shall forfeit the financial aid award, and be required to repay all or part of my financial aid award.
- I confirm that, without financial assistance, I will be unable to meet the full cost of my study at TGGS.
- I shall, if granted the financial assistance, abide by the terms described here.

- I would like to apply for DAAD Scholarship (For Master program) (only international students and non-Thai students are eligible).

6. Letters of Recommendation (Please download the form at <http://www.tggs.kmutnb.ac.th>)

Attach two sealed letters of recommendation. One letter should be from an instructor who knows your academic work well. Please list the names, positions, and affiliations of the referees.
